

Spring Newsletter - 30 January 2026

Dear Parents/Carers,

Thank you for embracing the OPAL Bingo so wholeheartedly! We have been so amazed and pleased with all the donations. THANK YOU SO MUCH!

I also wanted to let you know that I have signed our school up to The Young Artists Summer Show for any child who would like to showcase their artistic skills. This is not a school activity but something for you to do at home and upload if it is something that your child is interested in.

Here is the link you would need to follow: [Young Artists' Summer Show | Royal Academy](#) You need to register as a parent/guardian and then find our school. You will then find instructions about what you can submit and how you can submit it. Many thanks to the parent who shared this with me! I'm sure we have lots of pupils who would like to try! Just to clarify - this is something to do at home, not something we can do at school!

Please remember it is Number Day on 6th Feb - details went home via Arbor.

We are also looking for a parent governor! Please drop me a message on dojo if you might be interested and have some questions.

Have a brilliant weekend.

Ellie Game

Collective Worship

This week we tried we looked again at the story Feeding the 5000 but this time thinking about Inclusion. We learnt that inclusion is allowing everyone to contribute their gifts... just like the boy in the story. We looked at the gifts that we have and how we can share them. We learnt that some of our gifts are the same and some are different and this is ok... it is what makes us unique.
