Collective Worship

This week we celebrated Candlemas. We learnt that when Jesus was presented at the temple as a baby, Simeon said he was the light of the world so we explored what this meant. We looked how light helps us: a torch shows us the way, candles bring us joy and a nightlight brings us comfort. We then discussed how Jesus can do these things too. After this we looked at how we can be a light.

There are limited places available so booking is essential.
