

Spring Newsletter - 13th March 2026

Dear Parents/Carers,

We had a really successful School Council Event in school today. Our representatives from Oldswinford were amazing and we had chance to think about lots of different things linked to climate including food miles, better buildings, climate literacy and we also completed activities with 9 other schools.

Collective Worship

This week we looked at the story 'Philip and the Ethiopian Official.' We talked about how Philip travelled a long way to share Christianity. We looked at how this story can help us to understand that people's background, culture and traditions can strengthen us as we learn new and interesting things. We compared our own traditions and learnt new things that we could try.
