

Spring Newsletter - 20th March 2026

Dear Parents/Carers,

What lovely weather we had in the middle of this week! I was lucky enough to go to Forest School with some of year 4 on Wednesday and we had a brilliant time in the sunshine! The children were: making bug hotels, shelters, drilling holes to make a home for minibeasts, climbing trees amongst many other things!

We have also enjoyed Neurodiversity Celebration Week - we have learnt lots about our amazing and unique brains and how we can all be different but are all very special.

Thank you to all the parents' who came to parents' evening this week, it always lovely to see you in school.

Parking complaint: unfortunately I have had a parking complaint from a local resident as someone was blocking his drive and he was unable to leave his house. Can you please park considerately and think of our local residents. Thank you for your help with this.

We have also had a couple of concerned people talk to us about children on scooters before and after school. Can you please keep children close as some have been in the road. Thankfully, this time, an accident was avoided but we really want to keep it this way.

- 27th March: Break up for Easter
- 13th April: Back to School
- 23rd and 24th April: Book Fair in school - more info to follow

Collective Worship

This week all of worship has linked to Neurodiversity Celebration Week. We have looked at the Bible quote from Isaiah 4:6 which says 'The Lord is my refuge and my shelter from the storm and rain.' This then inspired our pledge umbrella.
