

Spring Newsletter - 27th March 2026

Dear Parents/Carers,

Happy Easter!

What a busy week and half term! I am hopeful that we will see more spring like weather over the next few weeks!

The manager of the Crabmill called this week to let us know that they are having an ANPR camera installed at the end of April on their car park. They have arranged for a couple of exemption times to help parents still use the car parking facility and have asked if we can communicate this to you .The exemption times are 8AM - 9AM and 3PM - 4PM.

Neurodiversity Celebration Week Parents Survey

At our school we are committed to developing a neuro-affirming culture, where all children feel understood, valued and supported to thrive. As part of this journey, we recently held a neurodiversity celebration week. We would really value your feedback to help us reflect on what is working well and what we can continue to develop.

We will miss Dexter but wish Dexter and Lucy much happiness for the future. We have at the same time welcomed Liam to our team as a Sports Coach. Liam has already become a very popular team member and we feel very lucky to have Liam on board. Our children have been very busy this Spring term. We have celebrated the Chinese New Year, Valentines Day, St David's Day, St Patrick's Day, Ramadan and Eid plus we have embraced the arrival of Spring. Our children have been very busy decorating our room, which looks very bright and colourful and a happy place to be. Our children have continued to enjoy the Breakfast Club sports activities in the Lower Hall, Lower School Playground from 7.50 am to 8.30 am. We also continue to offer play activities prior to school in the outdoor classroom area. At the After School Club, we also offer sports activities for our children in the Lower Hall or Lower School Playground along with our crafts/play activities in the Outdoor Classroom. We look forward to our children spending more time outside on the field area during the summer months. Please could we ask that when parents arrive to either drop of or pick up children that they press the buzzer at the gate and wait to be given access by a member of our Wraparound Team. Please do not hold the gate open to allow parents to have access to the school grounds but ensure the gate is closed behind you. WE WISH YOU A VERY HAPPY EASTER. WRAPAROUND TEAM

Collective Worship

This week we shared a story all about Eid. It was called Eid for Nylah. We followed a little cat who visited lots of houses throughout their street. In each house a clue was given about a special celebration: decorations, new clothes, presents, food, henna, prayers... until we found out the celebration was Eid!
