Collective Worship

This week we explored more about our new value: Self Discipline.

We shared the story of Noah and how he showed self-discipline by not giving up even when building the ark took a long time and was difficult. We thought about when we might need to do this and what makes it easier and harder to do. The children spoken about playing sport, learning new skills, handwriting and spelling. We shared that when we had enough time it was easier but it could be harder if we were rushed or under pressure. We also shared that asking for help can also make it feel easier.
