'Believe, achieve and shine brighter together'

Summer Newsletter: 12th July 2024

Dear Parents/Carers,

COME ON ENGLAND!

Let's hope that Sunday brings the result we all want! We are sending a parentmail home sharing that we will allow children to come to school between 9.50-10.00 if they need extra time in bed after staying up to watch the football. School will be open as normal for those who don't need extra sleep. Only Field Lane gate will be open at this time. It's really difficult for us to facilitate in-between times so the drop off times on Monday will be normal time or between 9.50-10.00. Thank you for your support with this.

We hope to see lots of you at the Summer Fayre on Sunday! Thank you so much for all the donations that have come in. We have our fingers crossed for some good weather so we can have lots of fun and hopefully raise some extra funds for our PTA.

Have a lovely weekend,
Ellie Game

Value of the half term...

Patience

This week I have had so many poster and pictures linked to our value of patience. Children have been brilliant at thinking about what patience is and when they need to show it.

This week we have also had our final celebration worships and Mrs Seker has shared an OPAL assembly with all of the children. They are VERY excited!

Attendance

This **week** our attendance has been...

Reception - 97.4%

Year 1 - 97.4%

Year 2 - 97.2%

Year 3 - 94.7%

Year 4 - 97.2%

Year 5 - 91.5%

Year 6 - 98.8%

Well done **Year 6** for your amazing attendance this week.

Dates to remember...

Friday 19th July @ 12pm: join us on the school field for a picnic to end the school year. Staff will bring the children out as close to 12pm as they can. They will find a space on the field and we ask that you go and get them from their teacher.

Both gates will be open at 11.50 for you to set up your picnic area.

Please can you make sure children do not go into our forest school area during the picnic please.

School closes at 1pm when we break up for the Summer holidays.
