'Believe, achieve and shine brighter together'

Summer Newsletter: 21st June 2024

Dear Parents/Carers,

Thank you to all the parents who joined us for a fantastic new sports day on Monday. The weather was perfect and the children had a great time trying the new events. We have had so much brilliant feedback:

'I loved the water event - it was so much fun' Year 4 child.

'It was much better this way, all the children got to do so much more' Year 1 parent.

'Imagine if this is what Heaven is like!' Year 4 pupil competing in the water race.

'I liked that there was no pressure on individual children. I liked that the children were a lot more engaged and involved at all times. I liked how they all cheered each other on.' Year 3 parent.

We will definitely look to have the same format next year.

Year 4 have had a brilliant trip to Bath and 6C have been to Redhill to make pizza! They looked delicious. Let's hope this lovely weather continues and we can enjoy the sunshine - don't forget to send a cap/sun hat and put suntan lotion on your children before they come to school if the weather looks warm.

Have a lovely weekend

Best wishes,

Ellie Game

Value of the half term...

Patience

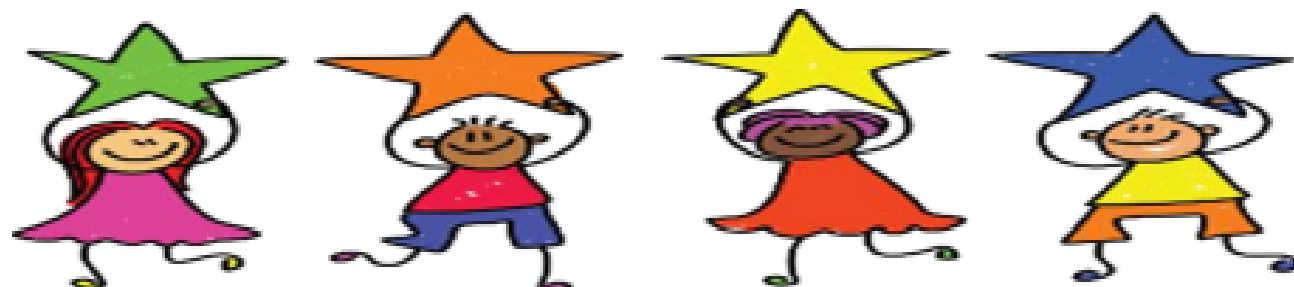

This week we have been continuing to learn about Patience. I have had some lovely art work which I will be sharing in worship next week.

It is always lovely to see how our children carry on their learning about values at home. Thank you for encouraging it.

Update to Parents/Carers - June 2024:-

Our children have been very busy this Summer Term. We have celebrated St George's Day, the 80th Anniversary of the D-Day Landings as well as creating our own little garden area with outside wall decorations, planting strawberry and tomato plants along with painting pebbles – it does look very pretty and colourful out there. Hopefully our children may be able to taste their home grown produce very soon.

We are currently in the 'throws' of Euro 2024. Our children have their own wall board, which they have decorated with a fixtures list, bunting and stickers and our children enjoy updating the fixtures list each morning. Football matches will be available for children to watch in either the hall or outdoor classroom area if match times are during Club hours.

Our children have continued to enjoy the Breakfast Club sports activities in the Lower Hall, Lower School Playground or the field from 7.50 am to 8.30 am. We will also continue to offer play activities prior to school in the outdoor classroom area. At the After School Club, we also offer sports activities for our children in the Lower Hall, Lower School Playground or on the field, weather permitting. Our children also like to play with bubbles or chalk outside, along with playing with our mini pop-up tents and the 'space hoppers'. This encourages our children to mix and play together, along with promoting sharing of the equipment. Please could we ask that children are sent to school with hats and sun screen during hot and sunny weather. We will also ensure that children drink often and we even offer them a nice treat of ice pops or chilled water melon to cool them down.
