'Believe, achieve and shine brighter together'

Summer Newsletter: 7th June 2024

Dear Parents/Carers,

I hope you all managed to enjoy your half term holiday - the children have certainly come back in good spirits and ready to complete their last few weeks in their current year groups.

We are currently finalising staffing for next year and will send a parentmail out as soon as we can. We will also make sure our 'Meet the Teacher' sheets are sent to you and the children will also have a visit to their new classes in July.

We are looking forward to our new style sports day - thank you for the positive feedback I have received about this. We can't wait to give it a go especially with the different events that the children are trying - fingers crossed for nice weather on the 17th! It has been great to see the classes on the field having a go. Have a lovely weekend and I look forward to seeing you all on Monday.

Best wishes,
Ellie Game

Patience

This week we thought about what patience meant and when we might need to show it. We then began to explore what could happen if we don't show patience. This started lots of interesting conversations.

Household Support Vouchers

We are able to access a small pot of funding to help support families who might be struggling financially at this time of year.

If you would like to talk privately about this please message me directly on dojo and we can discuss how we might be able to help.

This grant is for families who are not yet eligible for benefit based free school meals but could benefit from some additional support.

I appreciate that this might be difficult to do but I would urge you to get in touch if you are struggling financially.
