'Believe, achieve and shine brighter together'

Summer Newsletter: 17th May 2024

Dear Parents/Carers,

What a brilliant week it has been in school this week - the swimming pool has been amazing with Year 5 starting their lessons and Year 3 and 6 having some taster sessions in the pool. The feedback has been so positive and we've seen children conquering difficulties and having fun with their friends.

Our Year 6 SATS have been completed and we are so proud of each and every one of our Year 6 children. They have been incredible and tackled each and every paper with confidence, courage and even some smiles!

Well done Year 6—not long to your residential... you definitely deserve the fun you'll have there! I also want to say a huge thank you to all the staff who have been involved in working with our Year 6 children in the run up to SATS and on the week itself. The children have been really well prepared and have seemed calm and ready to tackle all the papers.

We have more swimming lessons for Year 5 next week, some top up sessions for Year 6 and Year 4 will also be having some taster sessions in the pool too.

Have a great weekend!

Honesty

This week we had a visitor from St Mary's church to talk to us about Christian Aid week. His name was Les and he shared some of the good work that Christian Aid do and how we can support them. Please send your envelopes back to school with any spare change (or even foreign coins) that you can afford.

Thank you in advance.

Attendance

This week our attendance has been...

Reception - 97.2%

Year 1 - 96.5%

Year 2 - 96.8%

Well done **Year 6** for your amazing attendance this week.

The Wizard of OCEPS

Next week Year 4 are performing their play 'The Wizard of OCEPS' for the rest of the school and for their parents/carers.

We can't wait to see it - the rehearsals sound amazing!

Good luck to everyone involved

(Unfortunately this production is not an annual event for year 4 but has been added as an extra event as this year group missed out on performing in a Christmas Production when they were in KS1.)
