'Believe, achieve and shine brighter together'

Summer Newsletter: 12th April 2024

Dear Parents
Welcome back!

I hope you all had a lovely Easter Break. It's nice to have finally seen the sunshine towards the end of this week! It has been a great start back and everyone seems very happy, settled and keen to tell me about all of the Easter treats they had.

This half term is a busy one with lots of school trips, the book fayre, Year 6 SATS and then their residential, a mufti day for Acorns Hospice, St George's Day, May Day bank holiday plus lots more.

Don't forget to use easyfundraising when you order online shopping to help raise funds for the school - every penny helps!

We also have a PTA quiz (adults only) in a couple of weeks - this sounds like lots of fun! More information will be sent out via parentmail, so please take a look if you are interested.

Have a lovely weekend!
Ellie Game

Value of the half term...

Honesty

This week we have started to look at our new value of honesty. We thought about what it meant to be honest and the different types of honesty there are - being honest and owning up to mistakes and then being honest with our opinions and how we don't always have to say what we think if it would hurt someone's feelings. The children were brilliant at discussing the difference. We shared the story about the boy who cried wolf and explained that if we do tell lies, there may be a time when no-one believes us.

Attendance

This week our attendance has been...

Reception - 91.3%

Year 1 - 97.7%

Year 2 - 95.2%

Year 3 - 97%

Year 4 - 95.4%

Year 5 - 91.5%

Year 6 - 98.3%

Well done Year 6 for your amazing attendance this week.

NSPCC online safety video

The NSPCC have produced a brilliant video for parents and carers which shares the best way to keep our young people safe online. It really is worth a watch if you have time.

Here is the link below:

There is also a lot of advice on their web pages about online safety including top tips on your child getting their first phone - this is definitely worth a look if it is something you are considering. It can be found by typing 'NSPCC online safety' into a search engine.

If you have any questions, please come and ask.
