

Oldswinford Cof E Primary School

'Believe, achieve and shine brighter together'

Spring Newsletter: 20th January 2023

Dear Parents/Carers,

It's been a cold week with some surprise snow but it's been lovely and warm in school with the children always brightening our days. I've had some brilliant work linked to self control given to me - thank you Megan (year 5), Ruby (year 1), Maisie (year 3), and Chloe (year 1).

You will have heard on the news or via social media that the NEU is calling for strike action on several dates in February and March - 4 of which affect our area. I will get back to you as soon as I can with more information about this and what effect it will have on our school.

Have a lovely weekend,
Ellie Game

Value of the half term...

Self Control

This week we shared the story of Joseph and his dreams. We looked at the different people involved in the story and how they may or may not have shown self control. We talked about the different routes we can take and if we stop and think we could make a better decision.

Open the Book also joined us this week and looked at examples of self control in the Bible. Thank you for coming in to help us learn about self control.

School Uniform

Have a look at our new 'pre-loved' school uniform rail in the main entrance to school. If your child is in need of some uniform please come and look at some of the things we have.

Buying pre-loved uniform is great for the environment and could also help save you money. There is a donation pot near the rail for you to leave a donation if there is something you would like to purchase.

We will keep it stocked with good quality items. There is a shoe rail underneath - we don't have any school shoes to fill it yet but we would love some donations as and when your children grow out of their shoes or trainers.

Thank you for your support!
