'Believe, achieve and shine brighter together'

Summer Newsletter: 1st July 2022

Dear Parents/Carers,

I hope you have all had a good week. I have been excited to see our Year 6 children rehearsing their leavers' play! I can't believe we are heading into the last few weeks! Don't forget we break up on Thursday 21st July not Friday 22nd. This was changed in lieu of the additional Jubilee bank holiday that fell in half term.

We have also decided to ask children to continue to come to school in their PE kit on PE days - the feedback we have received about this so far has been overwhelmingly positive.

Hope to see you all on Saturday at the Fayre,

Ellie Game

Determination

This week Worship Group have led our worship and looked at the story of The Lost Sheep from The Gospel of Matthew: 18. They asked the children who in the story showed determination and what they did to show it.

They were amazing and we were very proud of how hard they had worked to do this.

Next week they are looking at another story and we can't wait!

Summer Fayre

Please join us on Saturday 2nd July from 12.30 - 3 at our Summer Fayre.

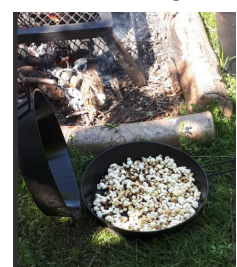

It's the first one since 2019 and we can't wait for this community event to take place again. As well as having a brilliant time, we will also be raising much needed funds for school.

We hope you can join us!

Forest School

Plans to improve our forest school have begun again. This is the start of one of two shelters being built in our forest school area.

If you are at the fayre on Saturday, you will be able to have a look around our forest school area, see what the children learn and what a valuable experience it is for them. We are hoping to raise enough money at the Summer fayre to be able to extend forest school across the whole school so every year gets the chance to have a go. Classes also have chance to do some cooking!

Join local
planet-protectors
to share tea, cake
and eco ideas.
Kids' activities
throughout the day.
All welcome!

STOURBRIDGE CLIMATE PICNIC SUN 17TH JULY 2022

Whatever your shade of green, we invite you to share
tea and cake and dip into our series of bite-size talks . . .

Zero Waste
