'Believe, achieve and shine brighter together'

Spring Newsletter: 10th June 2022

Dear Parents/Carers,

What a lovely first week back - we've had Year 4 trip to the Black country Living Museum, Tudor Day in Year 3 as an end to their topic and they've also had a trip to learn about the importance of the canals in our area.

We've been busy practising for sports day and the weather looks good for us to go ahead on Monday! We hope lots of you will be able to join us.

Ellie Game

Determination

This half term our Worship Group chose Determination for us to learn about. They wanted to pick something that could help as we move to our new classes or schools at the end of this year. They talked about having the strength, courage and determination to overcome any challenges they may face. We linked this to sports people and watched the clip about Derek Redmond from the 1992 Olympics. He had a hamstring injury but still got up and continued the race. The video also showed his dad coming to help him and we discussed that sometimes we do need help to overcome problems and its always good to accept it.

Sports Day - 13th June

Weather permitting sports day will run from 10-30 - 12.00 for EYFS and KS1 and from 1.30 - 3.10 for KS2
(reserve day is 20th June).
We hope you can join us!

Whole school photos

Please remember that the photographer will be in school to take a Whole School photo on Tuesday 21st June 2022 (subject to weather conditions). Could we ask parents/carers to ensure that children are sent to school in full school uniform, including a cardigan or jumper, on this date please.

The whole school photo is a unique event as it usually only happens once every 7 years. This ensures that all children have an opportunity to feature in the photos, which creates a historic record that lasts for generations. The whole school photo would usually take place in 2024, but we have brought this forward to celebrate the Queens Platinum Jubilee. The Photo will be available for purchase shortly after.
