'Believe, achieve and shine brighter together'

Autumn Newsletter: 17th December 2021

Dear Parents/Carers,

Thank you so much for all the Christmas wishes, cards and gifts you have sent into school. I would like to wish you all a very happy Christmas and a wonderful start to the new year. My mum has been busy knitting again and has made a special Christmas star for every child to bring home this week.

We hope you find a little place on your Christmas tree for them. We look forward to seeing you all in January and I know that whatever we may face in the new year we will tackle with resilience, patience and love.

Take care everyone,
Ellie Game

Advent

This week we lit the third advent candle.

This candle represents joy and how we can find this at Christmas time.
