

Oldswinford Cof E Primary School

'Believe, achieve and shine brighter together'

Autumn Newsletter: 12th November 2021

Dear Parents/Carers,

I would like to start by saying a huge thank you to all our families for their support in helping to control our Norovirus outbreak. I know the added disruption it has caused cannot have been easy but it seems to be calming down - fingers crossed it stays this way.

One of the highlights of my week has definitely been heading to St Mary's Church for a Remembrance service with Year 6. We were able to spend time thinking about the soldiers who gave their lives and why it is important to remember. I've also had chance to be in both year 5 classes this week - working with them during their reading sessions. Thank you Year 5, I had a great time.

Have a good weekend everyone and stay well.

Ellie Game

Next week...

Next week is a busy week in school as it's Anti-Bullying week and Children in Need on Friday.

To help celebrate these events we will be having a mufti day on Friday where children can come to school in their own clothes and bring a donation to either Anti-Bullying, children in need or put a little in both. Last year we also had a box for donations towards OCEPS school fund, We would love if you could support this too with any spare change you can afford.

Maths and English

On Monday Mrs Dunn our English Leader and Miss Barrows our Maths leader will be posting a video on dojo about some of the things we have been doing in school. The English video will give you a brief overview into our new reading sessions and the Maths video will share some information about support for parents on the strategies we use in school.

Value of the half term...

Justice

This week we have shared the parable about 'The Prodigal Son'

We looked how both brothers felt and what was fair and what was right in those circumstances and how sometimes people can have different opinions. We spoke about God being like the father in the story and how he would always do the right thing even when we may have made the wrong choices.

***'But let justice roll on like a river,
righteousness like a never-failing stream'***

Amos 5:24

Helium incident

It has been brought to our attention that there was an incident at home this week where one of our pupils inhaled helium. I'm sure many of you may have done this with no affects at all apart from making your voices sound funny.

However during this incident the child was seriously affected by it and could have died. The parent contacted me as she wanted the information to be passed on to our whole community as it was not something she was aware could happen. After talking to consultants in the hospital they found out it can happen to anyone as helium deprives the body of oxygen. The child is absolutely fine now but it was a frightening time for the family who want to prevent it from happening to anyone else.
