## Autumn Newsletter: 8th October 2021

Dear Parents/Carers,

Thank you for the incredible amount of Harvest donations we have received. I think it might be a new record. Here's a photo of them all bagged up and ready for delivery!

Thank you so much for all your support.

Have a lovely weekend,

Ellie Game

### A few dates to remember...

- School photographs on Friday 15th October (unfortunately we will be unable to have pre school siblings again this year but siblings in school will have their photo taken together as well as individually) **If this is a PE day for your child they will need to come in school uniform and bring their PE to get changed into just on this occasion.**
- Online Parents' Evenings on 12th and 14th October. Remember to test your access and be ready to join a couple of minutes before your appointment is ready to start.
- Break up for Half term on Friday 22nd October

### Value of the half term...

## Creativity

This week we focused on Harvest and some of the things we are thankful for. We included saying thank you for our talents and especially creativity. This links brilliantly to our value of generosity...

*'Whoever sows sparingly will also reap sparingly,  
and whoever sows generously will also reap  
generously.'*

## Black History Month

As part of Black History Month we have celebrated the achievements of:

- **Rosa Parkes** - maybe at home you could ask your children what was so amazing about her life and what she did or watch this clip.

- **Joan Armatrading** - we listened to her music and learnt about her success as a singer songwriter.
