

Oldswinford Cof E Primary School

'Believe, achieve and shine brighter together'

Autumn Newsletter: 17th September 2021

Dear Parents/Carers,

Thank you very much for all your support with our updated safety measures. We unfortunately have 7 confirmed positive COVID-19 cases across school which is more than we have ever been aware of before. Thankfully no-one is too poorly and they are all desperate to come back to school.

In our original return to school plan we thought we might be able to move back to whole school worship from next week but we have decided to delay this a bit longer - we will review this at half term.

We have also decided on dates for our first Parents' evening of the year. They will be held on the 12th and 14th October and, after very positive feedback from parents and staff, we have decided to run these using our online system again. We will send out more details nearer the time.

Have a lovely weekend and see you Monday!

Ellie Game

Value of the half term...

Creativity

This week we looked at the creation story. We tried to remember the order and then we used playdough to create a world of our own.

What better way for us to follow in the footsteps of God than by being creators ourselves.

'In the beginning God created the heavens and Earth'
Genesis 1:1

Year 3's Wonderful creations!

Thank you

What a brilliant response we have had! Thank you to everyone who has sent in a toiletries bag for us to send to the Dudley Afghan Support Group.

We are hoping to drop them at a drop off point on the 23rd September so there is still time to send one into school if you would like to.
