'Believe, achieve and shine brighter together'

Summer Newsletter: 16th July 2021

Dear Parents/Carers,

Well here we are heading into the final 3 days of the school year.... and what a year it has been! This will be our final newsletter of the year so I would like to say a personal thank you to all for your support and kindness this year. We have been faced with the most difficult circumstances but have worked together to ensure we get the best for all of our families. Roll on a normal September!! This week Year 6 have been able to attend their residential.... YIPPEE! We are so glad that we could make this happen - a huge thank you goes out to all the staff involved in making this happen. We are also able to go ahead with our 2 other year 6 events next week - their production on Tuesday afternoon and their Leavers' picnic on Wednesday. Maybe one day we'll all be able to have an end of year picnic

together! Now that is a nice thought!

Have a wonderful weekend, enjoy the sunshine and take care.

Best wishes,
Ellie Game

Reports

Your child's school report will be given to your child to bring home on Monday. It will contain a summary of their achievements this year as well as next steps for the year ahead. Included with the report will be your child's assessments. We will not be sending home attendance data this year due to circumstances around Covid 19. Also on Monday a parentmail form will come home. Please fill it in if there is anything in your child's report you would like to discuss.

Reading Challenge

Hopefully you will have seen the summer reading challenge that Mrs Dunn posted on dojo. Please do take a look if you get chance and join in. We'd love to hear all about it in September!

Follow this link to find out more...

Lost Scooter

A yellow scooter with 2 wheels at the front and 1 wheel at the back has been removed from the bike racks near the Field Lane entrance. If anyone has taken it home by mistake could they please return it as we have a little boy who is really upset it's gone. Thank you for your help.

September 2021

We hope to get information about September systems by early next week. We are currently awaiting additional advice from the local authority.

'Fund - Raisin'

Don't forget to eat your raisins and send the box back to school filled with any spare coins you may have. Thank you for your support.
