'Believe, achieve and shine brighter together'

Summer Newsletter: 18th June 2021

Dear Parents/Carers,

What a lovely surprise to have such sunny weather. It has been lovely to see the children using the field.

I know year 5 and 6 have loved using the football goals and eating outside,
Year 3L are enjoying their forest school sessions and many other classes have been busy practicing events for sports day.

I have included sports day dates in a box below. It is a shame that we can't have parents in school but hopefully you will get a flavour of the day via dojo.

I've had lots of parents ask me about what systems we will have in place in September but unfortunately we don't have the answer to this yet. When we do receive any guidance, we will read it and get additional information out as soon as we can.

Have a lovely weekend, take care.

Ellie Game

Value of the half term...

Reliability

This week we shared 3 Bible stories from the New Testament which help us to see the reliability of Jesus:

Jesus Calms the Storm – Mark 4:35-40

Jesus Walks on Water – Matthew 14:22-33

Jesus Heals a Blind Man – Mark 8:22-26

We decided that reliability leads to trust, which leads to being good friends. We thought about Jesus and how his friends came to trust him.

Sports Day

Dates for Sports Day are as follows:

30.6.21 morning - Years 5 and 6

1.7.21 morning - Reception

2.7.21 morning - Years 3 and 4

2.7.21 afternoon - Years 1 and 2

As mentioned in a parentmail sent out this week, unfortunately, we are not able to have parents as spectators.

Instead we will be using dojo as a way of sharing the days events with you.

On their Sports Day, children should come to school in their PE kits and a t shirt that is the colour of the house they are in.

Your child's class teacher can help you with the colour they need if you're not sure.

Fingers crossed that it stays dry!

Covid -19

Please can we just remind you that a face mask must be worn during pick up and drop off times unless you are exempt. Unfortunately we are seeing an increase in the number of adults who are forgetting to put them on.

Thank you for your support.
