'Believe, achieve and shine brighter together'

Summer Newsletter: 11th June 2021

Dear Parents/Carers,

I hope you have all had a good first week back at school and have been enjoying the glorious weather. I can't believe we only have 5 1/2 weeks until we break up for the summer - fingers crossed the weather stays sunny!

Our Breakfast and After school club has started this week and is going really well. The children have access to a range of toys and activities and they are loving the sports coach from Tuesday-Friday. There are still some places available on certain days - please call the school office if you would like to book a space.

Staff are busy writing end of year reports for your children which will be sent out before they break up in July. Included in these reports will be a summary of their strengths in English, Maths and RE and a personal comment. They will also include the next steps in your children's learning.

Have a lovely weekend, take care.

Ellie Game

Value of the half term...

Reliability

This half term we are going to explore the value of Reliability.

This week we began to think about what it might mean and looked at how it is important to have people we can rely on as well as being reliable.

We learnt that being reliable means...

'Someone or something that is reliable can be trusted or believed because he, she, or it works or behaves well in the way you expect.'

This led to a conversation about what our expectations are and how this can impact on our behaviour.

Mrs Roberts

It is with great sadness that I need to inform you that Mrs Roberts will be leaving us at the end of this school year.

She has decided to retire and start new adventures!

I'm sure you will all agree that she will be greatly missed but we wish her love and best wishes as she moves on.

We are busy finalising staffing for next year and will let you know as soon as we can which teachers will be in each year group.

Covid -19

Please remain vigilant with our safety procedures. While cases don't appear to be on the rise too quickly we do know that the Delta variant is in the Dudley borough and cases have been found locally.

Please take care and look after yourselves.

Roadmap

We are due to find out on Monday the next step of the Covid roadmap we will move to.

We will then read any additional guidance sent out from the Government and Dudley and decide what is best for our school.

We will do this as quick as we can and we appreciate your patience while we have the time to do this carefully.
