

Oldswinford Cof E Primary School

'Believe, achieve and shine brighter together'

Summer Newsletter: 7th May 2021

Dear Parents/Carers,

What a mixed bag of weather it's been this week - torrential rain, sleet, wind and now I can see the sunshine streaming through my window! I have to keep reminding myself that it is actually May! Lets all hope we get more sunshine in the coming weeks.

Everything continues to go well in school and we remain vigilant with our Covid safety procedures

however we definitely look forward to the day when we can begin to get back to normal.

I have loved seeing all the painting that Year 2 have produced linked to Van Gogh - what budding artists we have! I have also been so impressed with how much painting they have been doing at home too. We have sunflowers and starry nights galore!

I hope you all remain well and continue to do so.

My best wishes to all of you and have a wonderful weekend.

Ellie Game

Value of the half term...

Respect

This week we have been looking at showing respect for animals. We talked about our pets, how we look after them and what they need from us. We discussed that Christians believe all creatures belong to God and we are stewards over them; by looking after them we are also showing respect to God.

We shared Psalm 50: 10-11

Parent Governor

After a successful recruitment process for a new parent governor, we would like to welcome Beth Scrimshaw to our Governing Body.

We would like to thank all the candidates who participated and we look forward to working with Beth.

Parents' Evening

If you were not able to join the schoolcloud for parents' evening a member of staff will try and call you next week.

Charity Fundraising

Hi my name is Duncan Liddell, I'm the dad of Leonard (year 3). On the 29th of May I will set off to paddleboard 85 miles down the river Wyre with the aim of raising as much as possible for Tumbledowns a local disability and additional needs play group. All the money raised will go directly to fund some special days out for these amazing children. I will be doing the paddle unaided carrying all my kit, camping gear, food and water on my board and hope to complete the 85 miles in 4 days. Please, please give what you can, your generosity will make some amazing children very happy.
