

Oldswinford Cof E Primary School

'Believe, achieve and shine brighter together'

Summer Newsletter: 23rd April 2021

Dear Parents/Carers,

Welcome back! I hope you all had a wonderful Easter holiday. I must say standing on the gate this morning in the sunshine was delightful... long may it continue!
All the children in school have settled back in really well and our attendance was up to 415 children on Thursday this week which is great! It has also been lovely to see forest school underway for Year 6 and Year 3C. Don't worry 3L your turn will be coming up after half term!
We are also offering our first outdoor after school multi skills club for year 5 from next week, if this runs well we will look to run others after half term too.
Thank you for your continued support this year, We are hopeful that we will see some more things returning to normal over the coming weeks/months.
I know the summer term will just fly by, it always does.

Take care and have a lovely sunny weekend

Ellie Game

Value of the half term...

Respect

This week we have explored what we think respect might be. We have tried to answer the questions:

How can we show respect in our community?

How can we be respectful?

What is respect?

A year 3 child wrote 'Respect is to treat people how you want to be treated and to show kindness'

Covid 19

Thank you for all your continued support with our Covid safety procedures. Please try not to gather after school either on the playgrounds or on the field but instead head home as soon as you have collected your children. Thank you for your support with this. Hopefully we will be able to relax these rules soon but currently we are being advised to ensure we remain vigilant.

Dates to remember

Bank Holiday Monday: 3rd May - school closed
School closed for voting: Thursday 6th May

Parents' Evening

Tuesday 4th May/Wednesday 5th May

You should have received a parentmail sharing the dates and details of a new system we are using for our next parents evening. We are using an online platform called 'schoolcloud' which has a video call function and timed appointments. We have trialled the system in school and are really pleased with how easy it is to use. This afternoon we will be sending out further details about how to create an account and log on. The bookings will go live on Monday morning at 7.30 and will be open until the following Monday. I have also used this system as a parent for my daughter's parents evening and found it easy to use in that role too. If you have any difficulties in booking (from Monday 26th April) then please email us at: contact@oldswinford.dudley.sch.uk and someone will get back to you.
