'Believe, achieve and shine brighter together'

Spring Newsletter: 26th March 2021

Dear Parents/Carers,

This week has been a week of reflection, both nationally and in school. We did take a moment to reflect on everything that has happened in the past year and also the hope of what we have to look forward to in the coming weeks (fingers crossed). I don't think anyone would have believed last March that 1 year on we would still be feeling the effects of the pandemic. As part of reflecting on the past year, it is also really important to celebrate all we have achieved and the resilience we have all shown in the most exceptional of times. I am always so proud of the children at Oldswinford, but particularly across the last 12 months, I have seen the most amazing qualities of resilience, courage, generosity and love shining out. As we look forward, we can't help but get excited about the prospect of summer drawing closer and the lockdown easing. Easter is only a week away, let's all cross our fingers that the sunshine makes an

appearance so we can enjoy the great outdoors!
Have a wonderful weekend, take care and stay safe.

Best wishes,
Ellie Game

Value of the half term...

Unity

This week we look at the Easter story but from the perspective of the donkey that carried Jesus into Jerusalem. We looked for times in the story that we could find examples of unity or maybe times when it was missing.

'Finally, all of you, have unity of mind, sympathy, brotherly love, a tender heart, and a humble mind.'

1 Peter 3:8

Covid 19

There are several local schools who have had to close bubbles due to positive test results. Numbers are still low but on the rise slightly. We are being exceptionally vigilant in school to ensure all our safety procedures are followed and ask for your support outside school to do the same. We appreciate it is lovely to talk to friends on the playground but we politely ask that you collect your children and walk home.
