

Oldswinford Cof E Primary School

Autumn Newsletter: 9th October 2020

Dear Parents/Carers,

Thank You

We have been humbled by the amount of donations that have been sent in to school for 'Giving Hands' food bank. Thank you for your generosity and for showing our school values to help other families in need. Year 6 have also been putting together afternoon tea hampers to take to our local care homes as we have been unable to invite them to school this year. Thank you Year 6!

I was visited by Seb and Joseph this week who told me about the money they had been raising for charity by drawing pictures and selling them. Thank you boys for showing our school values and helping such a worthwhile cause.

Have a great weekend and stay safe everyone. Best wishes, Ellie Game

School Office

Please can I ask for your support in not going to the school office without an arranged appointment.

If you need to pass a message on to the office can you please telephone them on 01384 818790 instead.

Non urgent messages can go via dojo or the school contact email address.

Thank you for your support in helping to keep our school a safe place.

World Mental Health Day Celebrations

The school well and truly 'shone' today. Seeing the children in their bright colours and listening to them as they shared and celebrated their talents was amazing. They are all so special and we are very lucky to have them at OCEPS.

Reading

We have added a reading section to our school website under the green 'parents' tab. Here we have put a frequently asked question section which answers some of the questions we have been asked.

Celebration Worship

Our new medals have arrived ready for this year's celebration worship. Even though we won't be able to have parents in school to join us we still want to recognise every child's achievement. We will let you know the dates we will be presenting medals ASAP.

Home learning

If your child is off school awaiting the results of a test or because they are isolating, the following home learning can take place.

- Rising stars, reading planet online books (school resource)
- Athletics/TT Rock stars (school resource)
- Oak academy online lessons via this link <https://classroom.thenational.academy/>
- BBC bitesize online learning via this link <https://www.bbc.co.uk/bitesize/terms-topics>

In the unfortunate incident that a whole year group has to isolate, staff will post work via DOJO.

Lost Glasses

A child in year 4 has lost her glasses. Please could you check bags to make sure they haven't been taken home by accident. Thank you for your help.
