'Believe, Achieve and shine brighter together'

Spring Newsletter: 24th January 2020

Dear Parents/Carers,

I can't believe another Friday has come round so quickly!

On Thursday and Friday Year 4 shared all their learning in their wonderful class worship,. They recited the Jabberwocky poem, sang a times table song and shared a story from the Bible about trust. Well done to everyone involved.

This week some of the new furniture we have purchased for our Reception classes has begun to arrive. We'll get some photos out to you as soon as it is place and ready to share. We are excited about creating a new environment for them to learn in.

We are also finalising an order for new reading books in KS1. We'll keep you posted with this and let you know when they are ready to be shared. I'd also like to say thank you to the people who have offered to come and hear readers in school. We still have room for more so please pop and see me if you would like to know more. Have a great weekend.

Best wishes, Ellie Game

Australia Fundraising

So far we have raised over £250 for Australia.

Thank you to everyone who supported this event and to Mia for inspiring us.

Trust

'He made the storm be still'

Psalms 107:29

This week we shared the story where Jesus calmed the storm. We thought about the power that God has and if he can help calm a real storm he can help calm any storm we could have in our lives. We can trust God to help us in our time of need.

St Mary's Church

You may be aware that St Mary's church has had some of their windows vandalised. A just giving page has been organised to help try and raise the funds to fix it. We have also put the link on our website.

'Going Green'

Seeing everyone on green on Monday really lifted our spirits in school. We linked our worship to positive well-being and knowing that we can all feel a little blue sometimes but there are always people around to help and support us.
