

Cooking short bread biscuits in year 3:

“My favourite skill was sprinkling because it tickled me.”

“My favourite skill was shaping because I got to feel what the dough was like.”

Why should we do DT – year 1:

“It makes you more creative.”

Did you enjoy your DT project – year 1:

“It was excellent because we also did some boats but some didn’t work so we did it again.”

Why should we do DT – year 3:

“...to get lots of skills that help you through your life... like cutting, drawing, sewing”

Did you enjoy your DT project (shadow puppets)– year 3:

“I’ve never not liked DT.”

“I love cutting all the little bits.”

“My favourite thing is...”

“...the sewing.”

“... the decorating.”

“... cutting and doing the shows.”

Why should we do DT – year 4:

“...learn how to cook in life.”

“For a job... architect, scientist.”

“To help us collaborate.”

“be... patient... creative.”

Did you enjoy your DT project – book binding – year 4:

“It helped my hand-eye coordination.”

“I thought it was cool to see how to make books. You see books, but you don’t really know how they are made.”
